

Vimal R

COMPUTER ENGINEER

PERSONAL INFO

I am a passionate Computer Engineering student with a strong interest in software development, problem-solving, and emerging technologies. Currently pursuing my degree, I am constantly exploring fields like programming, artificial intelligence, cybersecurity, and networking. I enjoy working on coding projects, app development, and system optimization, always looking for ways to enhance my technical skills. With a keen interest in innovation and technology, I aim to contribute to the ever-evolving world of computing.
